

PATENT
Atty. Dkt. No.: 702.319 (AT 20972-40)

Remarks

Claims 1-11 are currently pending in the present application. Initially, the Examiner is thanked for indicating claims 1, 5-7 and 11 to be allowable.

Claims 2-4 and 8-10 are rejected under 35 USC § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The above claim amendments are believed to place the application in condition for allowance. It is respectfully submitted that the pending claims define allowable subject matter.

In view of the foregoing comments, it is respectfully submitted that the prior art fails to teach or suggest the claimed invention. Should anything remain in order to place the present application in condition for allowance, the Examiner is kindly invited to contact the undersigned at the telephone number listed below.

Respectfully Submitted,

Dean Small, Reg. No.: 34,730
